

PSHE: Year 4 are learning about positive friendships, including online, and how to respond to hurtful behaviour.

Maths: This term Year 4 are learning about place value. They will recap numbers to 1000, and then learn to round to the nearest 10 and 100. Year 4 will then learning how to partition and how to use a number line to 10, 000 and represent numbers..

PE: In outdoor PE lessons this term, Year 4 will be learning about the skills required for invasion games, and will be learning dance in indoor PE lessons.

History: This term Year 4 are continuing the topic 'Anglo Saxons' that they began in Year 3. Children will find out about Alfred the Great and why he was so important to History.

## Autumn 1 term

Science: This term Year 4 are learning about electricity, and will be experimenting with circuits, using fair tests.

DT: In DT this term, Year 4 will be designing and making a torch, planning and evaluating carefully and using their new scientific learning to support.

Computing: Year 4 are learning how to be safe online, using Eaware to identify areas for development, and will use Purple Mash to learn how to code and create basic spreadsheets.

English: In English to begin the year, Year 4 are learning how to write instructions and then how to write an adventure story, using the appropriate features.
