

At St Michael's we strive to develop and inspire courageous, respectful and resilient learners encouraging them to serve with kindness, respect and tolerance guided by our Christian values so that they can flourish, living 'life in all its fullness'. (John 10:10)

English

In English this term, pupils will be learning how to write explanation texts, newspaper reports and narratives in the style of Julia Donaldson.

Pupils will also be composing and performing space themed poetry.

Maths

Throughout the Summer term, pupils will be focusing on embedding methods of calculating the four main processes (Addition, Subtraction, Multiplication and Division).

Pupils will also be exploring topics of length and height, position and direction, time, capacity, temperature and mass and time.

Science

This term the children will explore food chains.

Pupils will also be caring out and investigating the answer to several scientific experiments.

PSHE

This term the children will explore 'Health and well-being'. They will explore topics such as physical health and well-being, growing and changing and keeping safe.

Summer Term

RE

This term the children will be continuing learning about 'Why is Easter important to Christians?' and 'What is the good news that Jesus brings?'

DT and Art

This term we will be designing and making a traditional Kenyan Dress in DT.
In Art, children will be drawing cartoon characters.

Computing

Using purple mash, they will learn about Making Music, Effective Searching and Presenting Ideas.

They will also complete an e-safety assessment which will inform their personalised e-safety learning.

History

During the Spring term, we will be exploring life when our grandparents were children, focusing on the Neil Armstrong and Space.

Geography

During the Summer term, children will be comparing countries from different continents. Comparing Penkridge and Kenya.
We will also be embedding our learning about the continents and oceans.

PE

The children will be learning the skills required to play tennis and cricket. Later in the term, pupils will be taking part in several Athletics events.
Children will also be taking part in scooter proficiency sessions.
