

Out of School Care

THIS TERM THE CHILDREN HAVE ENJOYED A RANGE OF ACTIVITIES BASED AROUND AUTUMN

Children enjoyed a range of activities which include arts and crafts and baking plum crumble. The children enjoyed the outdoor area each day and observed the changes they saw. They collected leaves and made an autumn collage. **Children in Need-** For Children in need we baked teddy biscuits, children rolled the dough and cut the shape then they got to decorate and enjoy them.

Christmas- OSC are looking forward to lots of lovely Christmas activities over the coming weeks including making their own baubles for the Christmas tree. They are also hosting a Christmas

party for all children who attend OSC

CREATIVE SHOWCASE

Our children have been very busy this term entering lots of competitions and some of our children have had some of their art work published. Food friends competition- Children had to design their own magic milkshakes, cupcakes or doughnut and got to buy the book that had their work published. Well done to all of those who took part in this competition!
