

English

In English, children will be learning how to write a set of instructions based on the 'How to wash a Woolly Mammoth' text. They will also learn how to write a non-chronological report and how to write a suspense story.

Maths

In Maths, children will learn to count from 0 in multiples of 4, 8, 50 and 100 and find 10 or 100 more or less than a given number. They will also learn how to recognise the place value of each digit in a 3-digit number (100s, 10s, 1s) and compare and order numbers up to 1,000. They will learn to read and write numbers up to 1,000 in numerals and in words and solve number problems and practical problems involving these ideas.

Science

In Science, children will be learning how to compare and group rocks based on their appearance and physical properties, giving a reason. They will learn about the difference between sedimentary, metamorphic and igneous rocks. Children will learn how fossils are formed and how soil is made.

RE & PSHE

In RE, children will be exploring the big question of: 'What is the Holy Trinity?'

In PSHE, children will be focussing on Relationships. They will explore features of family life and learning the importance of self-respect.

Autumn Term**History**

In History, children will be exploring the following big question:

'How did Britain change from the Stone Age to the Iron Age?'

Computing

In Computing, children will be developing their coding skills on Purple Mash. They will learn how to use timers and create their own coding programs. They will also be discussing various online safety topics.

DT

In DT, children will explore Stone Age clothing and explore different sewing techniques. They will design and sew their own Stone Age tunic for their favourite teddies. They will evaluate their ideas and end products against their own design criteria and consider the views of others to improve their work.

PE, Music and French

In PE, children will be developing their dance and games skills.

In Music, children will be learning to play an instrument.

In French, children will be learning simple greetings and numbers 0-10.
