

Dear Parents and Carers,

**Hyett Education** is excited to announce the ever-popular and engaging **Tech Tigers STEM After-School Club** for **Reception - Year 4** is coming to **St Michael's First School!**

We will be running the Tech Tigers STEM Club, **3:15 - 4:45pm**, every **Friday** (except during February Half-Term) during **Spring Term 2026**. The first session will take place on **Friday 16th January 2026** and the last session will be on **Friday 27th March 2026**. Each session is **£6** and this can be paid in either one or two installments. When signing up for the club, your child will be allocated the space for the whole term.

Our sessions focus predominantly on Science, Computing, Engineering, Maths, and Technology (STEM) through hands-on, interest-led activities like **coding and robotics** to **digital art and animation**. We adapt our Tech Tigers programme to suit the children's learning styles, offering a balance of guided support from our fun, friendly instructors and the freedom to explore and be creative.

#### **Activities to Spark Curiosity (Key STEM Focus Areas):**

- **LEGO Robotics** and Programming Challenges
- Hands-on **Coding Challenges**
- **Digital Art and Music** Creation
- Immersive **Minecraft Education** Workshops
- **Stop-Motion Animation** Projects
- Practical **Construction and Engineering** Challenges
- Engaging **Maths Puzzles and Games**
- Exciting **Science Experiments**
